TAAD is proud to offer a **Level III** and a **Level IV RPA Review** for BTPE registrants preparing to take the state certification exam. Sessions will be four comprehensive days of course review and working problems. An optional exam will prepare registrants for the BTPE exam.

Review sessions will be offered in Austin, prior to BTPE's Austin testing dates in 2010. (NOTE that the official testing dates are on the following **Friday**.) The review session will use BTPE's study outline as a tool. Registrants should be familiar with the

outline, and should ensure they have up to date course materials for review.

Daily sessions will be from 8:30 am– 5 pm. Students attending should be aware that this is a review session, not a primary instruction. The instructor will cover basic methodologies, definitions, etc. as outlined in course materials, but will not "reteach" the course.

Time will be provided for working on students' areas of specific concern.
