TAAD is proud to offer a **Level III** and a **Level IV RPA Review** for TDLR registrants preparing to take the state certification exam. Sessions will be four comprehensive days of course review and working problems. An optional exam will prepare registrants for the TDLR exam.

Registrants should be familiar with the outline, and should ensure they have up to date course materials for review.

Daily sessions will be from 8:30 am– 5 pm.

Students attending should be aware that this is a review session, not a primary instruction. The instructor will cover basic methodologies, definitions, etc. as outlined in course materials, but will not “reteach” the course.

Time will be provided for working on students’ areas of specific concern.
